**Footnote 1** - St. Gabriel's Health used data from Jan 1, 2019 to Dec 31, 2019 to provide estimated allowed amounts.

**Footnote 2** - The above amounts are St. Gabriel’s Health’s good faith effort to comply with Minnesota Statute 62J.812. This statute requires each provider to maintain a list of the provider’s 25 most frequently billed current procedural terminology (CPT) codes. This list shall include the provider’s top procedures as required by MN Statute 62J.812.

**Footnote 3** - The provider has a planned good faith effort to comply with Minnesota Statute 62J.812. This statute requires each provider to maintain a list of the provider’s top procedures as required by MN Statute 62J.812.

**Footnote 4** - St. Gabriel’s Health's final charge and allowable amount may deviate from the above illustration. We have put for a good faith effort to provide the required disclosure. The disclosure above is not a final charge or allowable amount as historical data was used to develop the above financial figures.

**Footnote 5** - If an item is denoted above as "N/A", which stands for not available, there was not enough recent claim activity that was fully adjudicated (paid) to provide a reasonable estimate of the allowed amounts.
